

Toto's Supper Club

Artist: Elizabeth Boyd Vaughan

with assistance from Megan Bender

Location: 314 West 8th Ave., Toto's Supper Club

The Supper Club was painted in 1995. Marna Finney commissioned Elizabeth to paint the scene of The Wizard of Oz. The Finneys have traveled a great deal; and when people found out they were from Kansas, they would always ask, "Isn't that where Toto lives?" So when they settled in Winfield and decided to open the supper club, Marna decided the name had to be Toto's for that reason. And the painting began.
